Gary,

I was out of the office all of last week and half of this week. My father-in-law died so we had to make an emergency trip to India. I just got back tonight. I will start reviewing the stuff. I can get it to you by 3/20.

Jessica - I just sent out a schedule to folks asking for their comments - you should have it by now - it generally it uses a 21 day review for most things. So, if we stick with that, the nature & extent comments would be due from me back to Eric by 3/26, so I would like your comments to me at least several days before that.

Thanks,

Gary Miller, P.E.

Hi Gary,

I just got the draft nature and extent data report from Fed Ex.
Can you tell me what the deadline for comments to you is for
this report? I know there is a short timeline on this project,
so your response is probably ASAP - but I really need a date to
put in my calendar to help me prioritize work (I'm supposed to
be reviewing another document now).

Thank you,
Jessica
